The diagram illustrates the layout of the Tirreno Seafront promenade. A horizontal row of grey rectangular blocks represents buildings along the coast. Vertical red lines mark the locations of various streets, labeled from left to right: VIA COLOMBO, VIA ROMA, VIA GIUSTI, VIA FIRENZE, VIA CARRARA, VIA SAFFI, VIA MENTANA, VIA GIOTTO, VIA GIOIA, VIA VESPUCCI, VIA DA VINCI, VIA D'ANNUNZIO, VIA XX SETTEMBRE, VIA MAZZINI, VIA VERDI, and VIA ZANARDELLI. A red line runs along the coast, with a red square containing a white octagon located between VIA XX SETTEMBRE and VIA MAZZINI. Two yellow areas, labeled 'AREA SICURA', are situated between the promenade and the sea. The sea is represented by a blue area at the bottom, labeled 'MAR TIRRENO'. A green dashed line with arrows indicates a route along the promenade. Blue arrows with wheelchair icons point to specific locations: one at the far left, one at VIA SAFFI, one at VIA VESPUCCI, one at VIA XX SETTEMBRE, and one at the far right. The legend in the top left corner defines the symbols: a red dashed line for 'TRANSENNE', a blue arrow for 'INGRESSI', and a green dashed line with arrows for 'CORTEO'.
